

IMMERSE

The Bible Reading Experience™

QUICK START GUIDE

4-Week Reading Plan

3 ways to get the most out of your experience

1

Use *Immerse: Chronicles* instead of your regular chapter-and-verse Bible. This special reader's edition restores the Bible to its natural simplicity and beauty by removing chapter and verse numbers and other historical additions. Letters look like letters, songs look like songs, and the original literary structures are visible in each book.

2

Commit to making this a community experience. Immerse is designed for groups to encounter large portions of the Bible together—more like a book club, less like a Bible study. By meeting every week in small groups and discussing what you read in open, honest conversations, you and your community can come together to be transformed through an authentic experience with the Scriptures.

3

Aim to understand the big story. Read through “The Stories and the Story” (p. 183) to see how the books of the Bible work together to tell God's story of his creation's restoration. As you read through *Immerse: Chronicles*, rather than ask, “How do I fit God into my busy life?” begin asking, “How can I join in God's great plan by living out my part in his story?”

4-WEEK READING PLAN

Reading Plan Instructions: Always read to the largest break on the page where each reading ends. If there is more than one largest break, go to the last one. If no breaks appear on that page, read to the bottom of the page.

Since *Immerse Chronicles* is significantly shorter than the other Immerse volumes, we offer reading plans of four and eight weeks, instead of eight and sixteen weeks, as in the other volumes.
